Dear Friends,

Thank you so much for being so forgiving and understanding about the many accidents which take place about your kingdom, the halls and the kitchen. We know that at times we were the guilty parties who spilled the ink or dropped the silverware. But thanks to your understanding, we were not held accountable for the deeds very long.

For these and other small instances, we deeply thank you and appreciate the work which you are doing.

Sincerely yours,  
The Students

## *Homeroom Representatives Make Up Our School Council*

The Student Council is "The Voice of the Student Body." The group also serves as a two-way communication link between the school and its students. It is also a service group—to the school, its staff, the Christmas Bureau, the Red Cross, and to other types of organizations.
